

2020 LEAF COLLECTION OPTIONS

Leaf pick up will soon be completed. All residents must have had leaves out by Monday, November 30th as we began the final sweep. If we have been by since November 30th, we will not be returning. Trucks will soon be converted for snow plow duty.

City residents were informed of this via the city website, Twitter, Facebook, advertisements in the Perrysburg Messenger Journal and notices in the Sentinel Tribune. Leaves left at the curb or in the street after the last sweep are in violation of city ordinance 660.03 and 660.15. These leaves may not remain in the public right-of-way and must be disposed of at the owner's expense by using the city yard waste bag program or at the compost facility which is free.
