**For Immediate Release:**

#### **City of Perrysburg Closing All Public Restrooms**

The Governor's Office of the State of Ohio is urging all Ohioans to take actions to help minimize the spread of COVID-19. The City is actively limiting the exposure of the virus to City employees (in-person contact and material contact). As such, the City is closing all public restrooms at City parks and in Downtown Perrysburg. Trash pick-up at City parks and in Downtown Perrysburg will continue. This will go into effect at 4:30 p.m. on March 18.

We apologize for the inconvenience and appreciate the community's continued cooperation and patience as we all work together to help minimize the spread of the virus.
