

The City of Perrysburg is pleased to announce that all bidding processes will be transitioned to the Bid Express® service at www.bidexpress.com as of September 23, 2021.

Electronic bid submission allows for:

- Digitally-signed bids
- Eliminates costs for hand and hired delivery of bid packages
- Provides error checking and alerts to omissions before submission
- Easily accommodates last-minute changes and price cuts
- Automates email notifications to alert vendors of solicitation postings and changes

As a vendor, you must register and review each solicitation you intend to bid electronically before bidding (please see the [Infotech Digital ID policy](#)). You may also refer to [Infotech's Knowledge Center for Bid Express](#).

Note: Navigation of the Bid Express service is free unless you select a solicitation for bidding and complete your purchase ([see Fee Schedule](#)).

To submit Bid Bonds electronically, please ensure your company and your bonding agent's company register with one of the following Bid Bond agencies affiliated with Bid Express.
