Summer Recreation Hours: June 12-August 4, Monday-Friday, 8:00 a.m. to 3:00 p.m.

WELCOME!

Welcome back for the 2023 summer with Perrysburg Summer Recreation! Municipal Park has a new playground and we can't wait to break it in with you. Waterworld and Tee-ball are some fan favorites that are back, but we also have some new activities to check out. Maybe you will enjoy Pickleball, Running Club, and American Sign Language. We hope every child will find something they find exciting!

For families that are new to "The Rec," most of our activities are around an hour long and intended to be very affordable. We hire the most welcoming and caring staff members to make your child feel comfortable. Our schedule is arranged to provide many opportunities for children to try new activities, explore interests, make new friends, and have a blast!

Please "Like" and follow us on Facebook at [Facebook.com/PerrysburgSummerRec](https://www.facebook.com/PerrysburgSummerRec) where we will post various activities for families to participate in together. We plan on continuing to organize a Color Run, Glow Roll, Last Day at the Park, and First Night Out like we have in the past. Stay tuned!

REGISTRATION INFORMATION

We are once again utilizing RecDesk for online registration. All registrations must be made online. [You can find all activities and register here.](#)

City of Perrysburg residents have priority registration dates and lower costs for programs. However, all are welcome to register for our programs as non-residents, including many free programs. Please note that Perrysburg Township residents are NOT City of Perrysburg residents. Children that attend Perrysburg Schools are not necessarily City of Perrysburg residents.

When a new account is created in RecDesk, it will automatically check the address to see if it is a part of the City of Perrysburg. Your profile will show a green box labeled “Resident” next to your address if you are a city resident.

If RecDesk does not correctly identify you as a resident, this can be easily corrected. Please send an email to: recreation@ci.perrysburg.oh.us.

City of Perrysburg residents may begin registering for activities on April 1.
Non-residents may begin registering for activities on April 15.

Most activities will allow registration all the way up until the last date the activity takes place. We have open registration all summer long.

If you have any questions along the way, please send an email to: recreation@ci.perrysburg.oh.us

BAD WEATHER CANCELLATIONS

Unfortunately, we cannot control the weather. Here at Perrysburg Recreation, our number one priority is the safety of your children. The following are some examples that could result in us cancelling a program or camp.

- Tornado Watch
- Tornado Warning
- Strong Winds/Hail
- Strong Rain
- Lightning Sightings
- Unsafe Playing Field/Court

The quickest way to communicate this information to you is through text messaging. We have the capability to send a text message to the primary phone number listed on an account. We will also send messages to families in this manner. We encourage you to call us if you have any questions or concerns, or if you are unsure whether a program or camp has been cancelled. You can also follow us on our social media channels for updated information.

CAMPS AND PROGRAMS INFORMATION

In the following pages, you will find all of the camps and programs that we are offering this summer. Camps are one to three consecutive days all within the same week. Programs are repeated weekly throughout the summer. The prices you see are the total cost of the activity regardless of how many weeks you participate.

As you read through the camps and programs, you will notice the activities are organized by category that corresponds to the same categories found on our registration page. We encourage you to explore every category as you never know what you may find!

Activities are then listed alphabetically within their category. All ages are listed next to the left margin. In order to register for a program, a child must be within the age range listed at some point in June, July, or August this summer. While a few of our camps are listed as “boys” or “girls”, we encourage families to sign up for anything they want to. We do not have gender filters on any of our activities.

We have also listed the location of each activity for your planning purposes. Most of our activities take place in our Recreation Building or on the grounds at Municipal Park. The code that you see for each activity can be used to register online, but you can also search for the activity.

OUTDOOR ACTIVITIES (CONT.)

WATERWORLD

Come and beat the heat with us in one of our most popular programs. We will be having fun with water balloons, slip-n-slides and super soakers with many different activities and games. To maximize the fun, we have split the program into two groups. We intentionally have overlapped the age range so that siblings that are close in age can be in the same session. Limit: 150 participants each session.
