

**ECONOMIC DEVELOPMENT  
SPECIAL MEETING  
FEBRUARY 4, 2009**

In attendance: Committee members John Kevern, Joe Lawless, Mike Olmstead; and Rick Thielen, Planning, Zoning and Economic Development Administrator.

Committee member John Kevern called the meeting to order at 9:00 a.m.

There were no Administrative Items on the Agenda

The Committee did discuss the merits of sponsoring an evening reception for various business individuals or groups either currently doing business in our City or who may be interested in doing so in the future. The objective would be to inform the various parties of programs and incentives that are available and to promote Perrysburg as business-friendly.

Rick Thielen has been asked to review the notes from similar receptions that were held a few years ago, check dates in May for availability at the Hilton and the Carranor Club and estimate the costs.

The next Economic Development meeting will be March 4, 2009 at 9:00 a.m.
