- The workshop fee is \$15 which covers the cost of reference materials.
- Make checks payable to Keep Perrysburg Beautiful. ONLY checks are accepted for payment.
- Fee must accompany registration and is NOT refundable because reference materials will be purchased with these funds. If you are unable to attend, your reference materials can be picked up at Perrysburg Public Service Building at 11980 Roachton Road, Monday through Friday 7 am – 3:30 pm.

Participants will need to bring the following items to the workshop to be used in designing their personal rain garden.

- Photos of your home and property from all four directions to determine the best location for your rain garden.
- A print out of your property from the Wood County auditor's map. This is available free on line. For assistance, contact Judy Hagen at jhagen@ci.perrysburg.oh.us. This information is essential to calculate the dimensions and location of your rain garden.

Participants will take home:

- Printed reference material and online references for rain barrels and rain chains.
- A 3-D personal rain garden designed for your property.
