Monday through Friday  
7:00 AM – 3:30 PM  
(excluding holidays)

## CURBSIDE YARD WASTE DISPOSAL

### Curbside Yard Waste Program

Curbside collection of yard waste is a Pay-As-You-Throw program. This means residents pay a fee each time they use this curbside program. The tag fees cover the direct cost involved in curbside collection and disposal.

Yard waste tags are sold at Black Diamond, Department of Public Service, Kazmaier's, Kroger, Luckey Farmers, Mini Engine Repair, and Walt Churchill's Market.

During the months of March through the end of November, yard waste is collected the same day as garbage. December through March yard waste is collected on Wednesdays only. During those months, contact Modern Disposal at 419.874.2966 by Tuesday of the week collection is needed. Options include:

- Collection in **30 gallon generic yard waste bags** with a disposal tag attached to each yard waste bag.
- Generic 30 gallon paper yard waste bags are sold at local grocery stores and big box stores.
- **Bundles of branches** must be four feet or less in length, no more than two feet in diameter and not over 65 pounds.
- Each yard waste bag, bundle and yard waste Toter must have the appropriate city disposal tag attached.
- Residents may also use their **personal yard waste Toters** with disposal tag attached for collection of these items. **64 gallon and 96 gallon Toters** are available for purchase at Lowe's for yard waste collection.

**CITY TOTERS CANNOT BE USED FOR YARD WASTE COLLECTION.**
