

BANNER PERMIT GUIDELINES

Effective March 17, 2008

Revised February 11, 2021

1. Banners cannot exceed the maximum dimensions and banners must have wind flaps as indicated on the permit form.
2. Banners will be displayed no more than once per month for up to seven (7) consecutive days.
3. Messages on banners are limited to activities related to Perrysburg community non-profit organization. Messages related to political issues or candidates are not permitted. The City reserves the right to reject a banner with inappropriate content, determined solely by the City.
4. An original of the Banner Permit form completed by the applicant should be received at the Department of Public Service, 11980 Roachton Road at least five (5) working days in advance of the first day the banner is to be displayed.
5. Banners should be delivered to the Department of Public Service, 11980 Roachton Road, at least two working days in advanced of the first day the banner is to be displayed. All banners will be installed by the City.
6. Banner permits will be accepted on a first come first served basis for the two locations available, the 100 block and the 200 block of Louisiana Avenue. Permits will be accepted one year in advance by the month. As an example, a banner permit for a week in March 2022 could be submitted any time after March 2021.
7. City banner placement will take precedence over non-city banners.
8. After the display period, banners should be picked up from the Department of Public Service between 7:00 a.m. and 3:30 p.m. within five (5) working days unless the banner is approved for monthly display. The City is not responsible for banners not picked up within this time limit.
