

**City of Perrysburg Residential Backflow Reporting Form  
2020**

Thank you for your attention to the Backflow Prevention flyer in the April 2020 utility mailing.

**Property Owner:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Service Address:** \_\_\_\_\_ **Account No.** \_\_\_\_\_

Check any of the following that apply to your property referenced above:

- \*Well or  Cistern\* (Describe plumbing below)
  
- Water-powered back up sump pump
  
- Hose connections to a water outlet or laundry tub
  
- In ground lawn sprinklers/irrigation
  
- Hose connections to chemical solution aspirators to feed lawn and shrub herbicides, pesticides, or fertilizers.
  
- Swimming pools w/ direct piping from the public water system
  
- Hot tubs or spas w/ direct piping from the public water system
  
- Geothermal or solar heating system
  
- Chemically treated heating system
  
- Dock or waterfront plumbing/spigots
  
- Livestock pens or holding areas fed through pipes or hoses from your water supply plumbing

Backflow prevention devices (e.g. a vacuum breaker, double check device, etc.)

If yes, what kind of devices and where are they located?

---

---

---

If known, date of last test? \_\_\_\_\_

None of the above

*\*(Need not check if the cistern or well has been properly abandoned in accordance with Ohio Administrative Code regulations, including sealing of the casing, removal of the pump, and plumbing separated from the dwelling unit/service line plumbing.)*

Thank you for providing this information. In order to help minimize the spread of COVID-19, the City is now operating with ONLY required personnel. If you have questions about this form, please call the Department of Public Utilities at 419.872.8050 and leave a message or email the Department at [utilities@ci.perrysburg.oh.us](mailto:utilities@ci.perrysburg.oh.us). Someone will contact you as soon as possible.
